**Re: Duke Energy Carolinas/Energy Efficiency Plan
Docket No. 2007-358-E**

Dear Charlie:

I am writing to urge the Commission to move forward with Duke Energy Carolinas' Energy Efficiency proceeding. At the end of the hearing on February 6, the Chairman announced that the record would not be closed, but rather would be left open for certain late-filed exhibits and a response by the Environmental Intervenors to the settlement motions. The late-filed exhibits were filed on February 19. The Environmental Intervenors filed an opposition to one of the settlements on February 13 and Duke Energy Carolinas and ORS both filed replies to that opposition on February 21. We do not believe there is anything left to be provided to the Commission at this time, except proposed orders and briefs. Therefore, the Company would ask that the Commission move forward to set a schedule for resolving this matter as soon as possible.

We believe it is very much in the public interest to move forward with this proceeding and appreciate the Commission's consideration of our request.

Yours truly,

ROBINSON, MCFADDEN & MOORE, P.C.
